THEMA DIT JAAR:

Het thema van de editie van dit jaar is “de hotelier”.

Vorig jaar draaide het om de voorzieningen die hotels te bieden hebben, dit jaar gaat het om de mensen die in de hotels werken. Hotels kunnen laten zien wie de collega's zijn en hoe zij samenwerken met allerlei achtergronden en specialismes. Op deze manier kan de Open Hotel Dag gebruikt worden om bedrijven en bewoners uit te nodigen, maar ook om nieuwe medewerkers aan te trekken. Want een leuk team is een van de belangrijkste overwegingen om voor een werkgever te kiezen.
